

1. K-LOVE is a refreshing wholesome choice amongst mega-giant radio corporations that play the SAME music day-after-day. The redundancy of songs and stupidity of immoral disc jockey chatter is maddening!
2. The effect on our local community if K-LOVE were replaced: it would start a trend to silence family-friendly radio... The value at hand is protecting FREE SPEECH so people have choices concerning the voices and music they listen to.
3. The service provided by K-LOVE serves public interest by promoting positive messages. We could write a book about how positive messages promote public good, and certainly media/entertainment are part of the solution in a world where positive messages are desperately needed. PLEASE PROTECT DIVERSE CHOICE IN RADIO!
